Kernan Consulting CEO to speak at TechSelect event in May

San Diego, CA (January 30th, 2009) Kernan Consulting (www.KernanConsulting.com), an international technology consulting company offering Coaching, Advising and Mentoring programs to the small IT VAR, announced today that its CEO, James Kernan, will speak at the TechSelect event on May 14-16th in San Diego. The event will have a variety of speakers and manufacturers from the Technology industry.

“I’m excited about speaking at the event this spring. I was an active member of TechSelect for many years, and it will be good to come back as a speaker and re-engage”, said James Kernan, CEO of Kernan Consulting.

TechSelect is a national community of IT solution providers, which has memberships of 440 resellers and more than 20 participating vendors. This group of elite resellers represent some of the best in the industry today. Their event objectives include; Peer-to-peer educational opportunities, best practice sharing; Exclusive business partner promotions; and Networking with vendor partners and Tech Data representatives.

“Tech Data does an excellent job bringing value to their resellers and the TechSelect program is a good example of this. I feel that every small reseller needs to stay connected to some type of Peer to Peer group or industry networking group to stay informed. Everyone needs strategic information, encouragement and accountability in today’s economy and this type of group provides that”, explains James Kernan.
